Sir/Madam,

This is kindly being informed to the board that our school, **St. Joseph School, Lakhanpur, Near Sheetala Chaurah, Shahganj Bypass Road, Sadar, Jaunpur** has got its affiliation vide Affiliation no. **2131308** latest got its extension vide reference letter No.- **CBSE/Aff./2131308/EX-00451-1819/2018/1361736** dated **07/03/2018** upto **31/03/2022** on the basis of **No Objection Certificate (NOC)**, . But as per new guide line, there is Recognition certificate is required and the school is in under process to obtaining the same.

When we got our affiliation it was not an essential document and the school follows all the rule and regulation under RTE and take admission of students under the RTE and the school maintains the same as per State Education Department as well as CBSE norms.

Hence, viewing the future of the students and the school, I would like to request from the board for considering our under taking regarding extension of affiliation of the school.
