**Subject: Regarding extension of Affiliation.**

Respected Sir,

In reference of above cited matter, we inform you that our school St. Joseph Sr. Sec. School Lakhanpur Jaunpur is affiliated with affiliation number 2131308.

As your respective Board informed, to fulfill the deficiency at the time of uploading the document, with due respect, we urge you that school is already affiliated and it is since 2012. In those days it was not essential to get recognition certificate from concerned state education Dept, while NOC from the State Govt. already school has.

Yet we are trying our utmost-to get this requirement as soon as possible.

Thanking you,

Manager
